Dear Family:

Our Down Home Family Gathering is a special time to reflect on the past, enjoy the present, and inspire the future. Our committee is working hard and diligently to design a gathering that is memorable to each generation. We really hope you will join us where it all began in Dawson, GA! The theme selected for this family gathering is “Never Forget Where You Came From”, which is a saying of one of our very own eldest living male relative, Joe Ward, Sr.

Attached you will find the Family Gathering Registration Form and the T-Shirt Order Form. For up to date information, please visit the family website at [www.gtwfamily.com](http://www.gtwfamily.com). You can also register for the reunion and make payments using pay pal on the website. Please share this information with family members who may have been unintentionally missed.
